Your utility bill is a combination of water, sewer and storm drain charges. The City bills in arrears -- for services already provided from the 23rd to the 22nd of each month and billed on the first day of each month. Payments are due by the 22nd of the month. Any bill outstanding on the 23rd of the month may be subject to a 1.5% interest penalty. If your account is past due, payment must be received by the 10th of the following month to avoid a shut off notice. The city charges \$10.00 when a shut off notice is issued. If payment is not received or arrangements are not made, water service will be shut off as per date listed on the notice. In the event service is disconnected, all fees must be paid plus a \$35.00 service charge to restore service.

It is the responsibility of utility user to contact City staff regarding billing concerns/payments.

The undersigned agrees to pay all utility fees, rates and charges as set by Council resolution, and as amended from time to time. Currently, these fees, rates, and charges are set at the above mentioned rates. I recognize and accept that these amounts may be changed by Council resolution and agree to pay such amounts when amended, whether they are increased or decreased.

I hereby state that I have been given a copy of the City of Monroe Rate and Payment Policy and that I fully understand the terms and intend to abide by them.
