**WHEN:** October 14<sup>th</sup>, 2017 | 9 A.M. – 2 P.M.

**WHERE:** Monroe Community Library – Large Room

### WHAT IS A COMPREHENSIVE PLAN?

**A Guidebook** for the growth of the community including decisions pertaining to land use, capital investments, and infrastructure.

### HOW IS IT CREATED?

**Community Involvement** is the basis of the plan and its implementation. Through community input, it provides careful consideration of all factors that will impact change.

### WHY PLAN NOW?

**To best guide growth** to ensure a resilient economy, high-quality neighborhoods, services, and a balanced transportation system. Monroe's Comprehensive Plan has not been updated since 1986 - it is out of date and does not provide a good framework for the decisions that are needed now as Monroe looks to what the community wants to be in the future.
