

# MONROE LAND USE PUBLIC HEARING SCRIPT

"PUBLIC HEARING IS NOW OPEN"

"This is a Public Hearing for the Red Hills Subdivision Tentative Plan to create 55 lots for residential development. The site for this proposed subdivision is on Orchard Street and is on the far western edge of the city limits and urban growth boundary. All testimony and evidence must concern the approval criteria described in the staff report or other criteria in the Comprehensive Plan or the Monroe Land Use Development Code or other land use regulations which the person testifying believes to apply to the decision. This would also include any city ordinances or resolutions considered applicable to the proposed subdivision.

Failure to raise an issue, with sufficient detail to give the Planning Commission and the parties an opportunity to respond to the issue, means that no appeal may be made to the State Land Use Board of Appeals based on that issue.

Failure of the applicant to raise Constitutional or other issues relating to proposed conditions of approval with sufficient detail to allow the local government or its designee to respond to the issue precludes an action for damages in Circuit Court.

Before the conclusion of the evidentiary hearing, any participant may ask the Planning Commission for an opportunity to present additional relevant evidence or testimony that is within the scope of the hearing. The Planning Commission shall grant a request by scheduling a date to finish the hearing (a continuance) or by leaving the record open for additional written evidence or testimony."

"Are there any ex-parte contacts, conflicts of interest, bias, or site visits concerning the application to be declared by any member of the Planning Commission?"

If Yes, "Does any participant wish to rebut any disclosure?"

"Testimony during the Public Hearing will be in the following order: 1<sup>st</sup> – Presentation of the Staff Report; 2<sup>nd</sup> Presentation of the Applicant; 3<sup>rd</sup> – Presentation of the Proponents; 4<sup>th</sup> – Presentation of Opponents; 5<sup>th</sup> – Testimony of Neutral Parties including Government Bodies; 6<sup>th</sup> – Rebuttal by the Applicant, limited to issues raised by Opponents."
