If you elect to pay with an electronic funds transfer from checking, please be certain that you enter the routing number from a check. The routing number from a deposit slip is NOT valid and the payment will be returned. When paying with a credit or debit card, be sure to verify the billing address. An incorrect address can cause delay or decline of the card.

#### STEP 9: Payment Receipt

With a successful payment, a green SUCCESS! message will display. If the payment is unsuccessful for any reason, you will receive a message stating ERROR in red lettering. You may print the receipt for your records by clicking the printer image in the upper right. You may select "Back to Home" to be returned to the "Bills" screen.
