

THE CITY OF MONROE IS RECRUITING FOR A FULL-TIME PUBLIC WORKS EMPLOYEE

PUBLIC WORKS UTILITY WORKER

GENERAL STATEMENT OF DUTIES:

Performs manual, semi-skilled and skilled tasks in the maintenance of city parks, storm drains, streets, buildings and grounds. May serve as support and backup for water and wastewater (sewer) operations and support for sewer collection system and water distribution system. **REQUIRES** Customer Service Training and Experience.

DISTINGUISHING FEATURES OF THE CLASSIFICATION:

This is a full-time regular position with the major duties primarily to serve as the public works employee with streets, parks, building maintenance and storm water system maintenance and repair. This employee is responsible for varied construction and maintenance tasks for city buildings, park grounds and facilities. At times this work will be as a member of a public works crew and other assigned tasks may be working independently as an individual. This position includes full-benefits for city employees including medical, vacation and retirement upon completion of successful employment. Probation is for 6 months.

Starting Wage Based upon Experience (\$12 to \$15 hourly)

THE POSITION IS OPENED UNTIL FILLED AND IS READY FOR IMMEDIATE START

Full benefits upon qualifications required by city insurance programs.

THIS POSITION is an excellent one for a person who is interested in a long-time permanent position serving the public. Future compensation will be based upon qualifications, training and certifications to operate water and sewer treatment plants, sewer collections system and water distribution system based upon training provided by the City. If you have a commitment to serve, to work outdoors, to improving parks and recreational opportunities for the community, learn about water and wastewater treatment, providing safe streets and addressing storm water drainage challenges, we would like to meet you. Full job description and applications are available on the City's website. www.ci.monroe.or.us
