AT 6PM, DURING THE REGULAR MONTHLY CITY COUNCIL MEETING, THERE WILL BE TWO PUBLIC HEARINGS CONDUCTED SEEKING PUBLIC INPUT ON SIGNIFICANT PLANNING DOCUMENTS.

For almost three years, the volunteer members of the Monroe City Planning Commission have been working to update the original 1979 Comprehensive (COMP) Plan. **This is the 20-year community development plan involving land use and vision for the City of Monroe.** In addition, a long-term Transportation Planning Study has recently been completed in partnership with Benton County. Copies of these documents are available to view at City Hall or on the city's website www.ci.monroe.or.us.

A Public Hearing to receive public input related to these two documents will be conducted by the City Council with a recommendation of approval from the Monroe Planning Commission which has already conducted public hearings in regards to these planning documents.

Any inquiries or questions may be referred to the City Administrator/Planner rick.hohnbaum@ci.monroe.or.us
