

BUDGET COMMITTEE RECRUITMENT

The City of Monroe is seeking four residents for the Monroe Budget Committee to serve a three-year term, beginning with the 2023-24 fiscal year. Do you have a knack for accounting and want to help your local government? Do you have an interest in knowing the details on how your tax dollars are spent?

The City of Monroe Budget Committee members are vital to supporting the City's budget process by providing citizen input and listening to and understanding public comments before the committee.

The Budget Committee reviews the proposed operating and capital budget during each budget year and makes a recommendation to the City Council for final approval. This generally entails a time commitment of about 3 meetings in the late spring to review the final budget document and provide for public comments and testimony on the proposal. The Budget Committee may also meet at other times throughout the year on items of particular interest to the City's overall financial strategies and long-term financial plans.

The Budget Committee consists of seven citizen members and the seven City Council members. Budget Committee members are required by state law to live within City limits and be registered voters.

If you are interested in serving your city and getting involved, consider applying for one of the open positions. The deadline for applications is April 24, 2023 so apply today!
