6. NEW BUSINESS:

- 6.1. **Resolution 2022-10** authorizing a temporary agreement between the City of Monroe and the South Benton Nutrition Program. CA Martinenko commented this resolution is the result of direction by Council at the last Council Special Session to find a way to allow the South Benton Nutrition Program to use the Community Center until the Council has approved a new rental policy. He said the contract was written by the City attorney and is essentially a temporary permit, or license, to use the Community Center on Tuesdays and Thursdays as has been past practice. Mayor Sheets asked the term of the agreement and CA Martinenko said from July 5, 2022, through September 26, 2022, when the Council is expected to approve a new condition and use policy. Councilor Cuthbertson asked if insurance is required and CA Martinenko replied yes, the provision is in the rental agreement in the same amount that was required before. Mayor Sheets pointed out the address for the City should be 664 Commercial Street and staff indicated it would be

changed. Councilor Winther asked if there was any feedback from any of the parties. CA Martinenko replied the agreement was not negotiated, rather the attorney drafted the agreement for Council to approve. Councilor Knott commented being concerned the asset tagging and inventory may take longer than the July 1st deadline. CA Martinenko replied that the City would assist with photos and tagging including providing the asset tags, if so asked. Councilor Winther asked if it was appropriate to get input from SBNP. Mayor Sheets replied the Council should look at approving the temporary agreement and then get input for the final agreement for the September timeframe. Councilor Winther then motioned to approve Resolution 2022-10, the temporary agreement with the South Benton Nutrition Program. Council Knott seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.

- 6.2. **Resolution 2022-11** Toddler Park Security. CA Martinenko described new signage for Toddler Park hours that essentially opens and closes the park one hour after sunset and one hour before sunrise. In addition, high resolution cameras would be installed along with a timed, magnetic lock for the gate that coincides with the park hours. Councilor Ritch ask what the costs would be. CA Martinenko indicated along with an electrician, the total cost would be in the neighborhood of \$2,500. Councilor Ritch moved to approve Resolution 2022-11 and Councilor Lindner seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.
- 6.3. **Resolution 2022-12** approving the Mayor to sign a contract with the University of Oregon for a RARE student. CA Martinenko explained the RARE student would start in September 2022 and requires a match from the City for \$23,500. He explained this has been budgeted but grants were anticipated to defray the match cost. Councilor Winther moved to approve resolution 2022-12 and Councilor Lindner seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.
- 6.4. **Resolution 2022-13** accepting audit findings and response to deficiencies. CA Martinenko explained the State requires the City acknowledge any deficiencies noted in the City's annual audit. Due to a lack of a City Administrator for six months of the fiscal year and only fully staffed for the last three months of the fiscal year, there were inadequate financial controls, mostly in reviews by people other than the staff doing the financial work. This has been corrected in the current fiscal cycle with a full staff and written policies. Councilor Lindner asked if the same auditor will be performing the audit for this fiscal year and CA Martinenko replied yes; however, an RFP for another auditor will be sent out for the next audit as it is common practice to rotate auditors. Councilor Ritch motioned to approve resolution 2022-13 and Councilor Lindner seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.

6.5. **Resolution 2022-14** authorizing engagement of services for the annual audit. CA Martinenko explained there are two parts in the resolution; one is the letter of engagement setting the obligations and expectations of the parties. The second is the contract between the City and the Auditing firm. Councilor Ritch ask if there were substantial increases in fees and CA Martinenko replied there were not. Councilor Lindner moved to approve Resolution 2022-14 and Councilor Ritch seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.

6.6. **Community Grants.** A grant request was submitted to the Council for the Art in the Park annual program in the amount of \$1,000. After a brief discussion of timelines, Councilor Ritch moved to approve the grant. Councilor Winther seconded. With no other further discussion, Mayor Sheets called for a vote: Councilor Cuthbertson: Yes; Knott: Yes; Lindner: Yes; Ritch: Yes; Winther: Yes. Motion carried.

7. OLD BUSINESS:

7.1. **Planning Commission.** CA Martinenko briefed the Council on Planning Commission activities. The Commission reviewed a request by the Stones for the City to provide water and sewer to their parcels to the West and south of Red Hills. The Commission conditionally approved the request but CA Martinenko went on to explain while City ordinances do not preclude providing these services, Oregon statute has limitations that need to be complied with before the City can legally extend services outside its UGB. Councilor Ritch asked if the City could extend the UGB to encompass the properties. CA Martinenko replied it would be difficult because Monroe already has an approved inventory of buildable land. CA Martinenko went on to describe pending site applications for the old Wilbur-Ellis property and the Jackson's entertainment venue at the old gas station.

7.2. **Community Garden.** Councilor Knott provided a report on the progress of the Community Garden including Public Works supplying water and a gate, along with deer fencing.
